## **FIRE FIGHTERS ENDORSE JERRY LANG FOR WARD 6**

NORMAN, March 10 – Fire fighters today announced their support of teach and assistant principal Jerry Lang for Norman City Council Ward 6.

"In light of Breea Clark's recent statement that she would cut fire, police and road funding to balance the City's budget, we support Jerry Lang, because he believes core public safety should not be cut." said Matt Hart, President of Norman Fire Fighters.

Matt also cited Jerry Lang's service as a teacher and principal in Norman as another reason for their support. "Jerry Lang is someone we can stand behind because he has stood behind us as an energetic and consistent advocate of family and safety initiatives to help our fire fighters better protect the public we serve," said Matt Hart, President of Norman Fire Fighters.

Citing Lang's leadership on City Council, Hart said, and "We (Lang and fire fighters) have a shared vision for Norman that goes well beyond public safety Fire fighters are also citizens and we, too, want a strong economy, safe streets, and clean drinking water. We believe Jerry Lang is the person who can best serve the citizens of Ward 6."

Jerry Lang said, "I appreciate the sacrifices fire fighters make to our community and we should ensure that we, the City of Norman, keep our promises to the citizens of Norman to keep them safe."
