Donation Request Guidelines

Donations are...

1. Allocated to individuals and/or organizations within the community in which we serve...exceptions will require approval of the Norman Firefighters' Executive Board.
2. Intended to address individual and community needs.
3. Directed primarily to charitable, non-profit, fundraising organizations whose mission is to meet and serve human needs.
4. Individually evaluated and discussed before funds are allocated.

Donations are not...

1. Intended to supplement or support any organization whose primary mission is not charitable in nature.
2. Always allocated and the amount given can be altered based on committee recommendation.
3. To be given to any individual/or organization that violates moral or ethical considerations of individual Donation Committee members or the Norman Professional Firefighters.

Instructions on Submitting a Request:

1. Print and complete attached Request Form, include dollar amount requested and be sure to sign.
2. Mail or scan and email completed form to the listed addresses.
3. Wait for response.
